

MANDRAYU SPA

Our tagline, *A Touch to Remember* says it all.....

Our newly opened spa is nestled at the edge of the hillside of Strawberry Park Resort Cameron Highlands and carefully designed with a contemporary Balinese concept to bring you into a world of peace, tranquility and serenity.

The spa is located in an area with a panoramic view of the golf club and its surroundings, where it is completely private, quiet and undisturbed.

A separate entrance leads you through lush gardens, past the outdoor gazebos and into the relaxation areas where you will be greeted by our friendly and courteous Balinese therapists at the entrance.

Single and couple treatment rooms are available upon request. All treatment rooms are designed with complete privacy and coziness to make your experience a most unforgettable one. Outdoor treatments can also be done in a Balinese gazebo giving a breathtaking view of Cameron Highlands.

A heated Jacuzzi in-built into another Balinese gazebo accommodates 8 people and is located in the lush gardens within the spa vicinity. Relax in the Jacuzzi and enjoy the spectacular view of Cameron Highlands while sipping a cup of your favorite tea.

Our treatment menus have been through a painstaking process to ensure that you are spoilt with an array of choices.

Mandrayu Touch our signature massage is specially created with a combination of Balinese, Thai and Swedish techniques, massage sequences that combines stretching, palm & thumb pressure techniques with rolling strokes and our specially formulated warm massage oil to help soothe muscle aches and relaxes tensed muscles.

Other treatments available are Aromatherapy, shoulder, head, foot massages, baths, body polishes, nail care and hair care.
